ViVOpay® 4880C

ID TECH's ViVOpay 4880C represents the latest innovation in secure payment acceptance. This all-in-one reader enables the acceptance of NFC/contactless payments including Android Pay, Apple Pay, Samsung Pay, Interac, MasterCard MCL, Visa VCPS, American Express ExpressPay, Discover DPAS, and more.

Function

ID TECH's ViVOpay 4880C communicates to the host via USB and is supported with a SDK, to allow for simple and easy integration. The USB port is also used for charging.

The ViVOpay 4880C's efficient design is perfect for countertop use, when used with optional stand.

It also is the most appropriate solution for embedding a fully functional reader in a tablet sleeve or any other similar situation.

Features and Benefits:

- **EMV Contactless Level 1 & 2 Certified**
  - ISO 18092 and 14443
  - Supports all major card brands

- **Compact and ergonomic design is ideal for countertop use with optional stand**

- **Contactless reader with DUKPT key management**

- **Micro-USB**

- **1 year manufacturer warranty**
